"Dear Nancy & Mazoea

I write to thank you for thoroughly enjoyable stay at Kundayo Serviced Apartments! It has been a pleasure to meet you, and your fine hospitality is the best. Your staff gentle polite and attentive to my every need-They kept the apartment spotless despite my safari gear. When my departure day came, I wanted to stay longer, and I look forward to my next visit with you. I'll tell my friends."

"Dear all staff at Kundayo Apartments,

Thank you for making my three week stay in Arusha a comfortable and enjoyable experience. None of my requests have been much trouble for you, and I have found everyone to be pleasant and accommodating.

I will definitely recommend your apartments to my friends and family. I think the apartments are very well furnished, and are excellent value for money in a great location.

I hope to come back and see you all again soon!"

"I have enjoyed staying at Kundayo Serviced Apartments: I couldn't have asked for a nicer place: secure, cozy, private with an awesome view of Mt. Meru, the greatest of service; right from the gate, all the way up... staff are warm and dedicated; and their service is the best. Kundayo Serviced Apartments is a true reflection of the famed African hospitality"
